

**2010 State Agility, Jumping & Games Trial  
and  
Top Dog Competitions**

KCC PARK  
4<sup>th</sup> September 2010

### *From the Trial Secretary*

Firstly I would like to welcome everyone to the 2010 Dogs Victoria State Agility, Jumping & Games Trial and Top Dog Finals and hope that you all have a happy and successful day.

The 608 entries in today's trial is surely a testament to our wonderful sport and also how much we enjoy spending time with our best friends, both the four footed and two footed kind!!!

I would like to thank the Judges, Stewards and helpers for their commitment and help to ensure that today runs smoothly. Thank you to everyone who donated food for the luncheon and to Sandra Nelson and Karon Satchwell for running the kitchen and luncheon.

Many thanks to Clive Makepeace and his helpers for looking after the rings from set up to pull down, such a mammoth task, which enables the trial to run efficiently. To our Dogs Victoria Representative, Denise Chrystal thanks for agreeing to be the representative today.

Thank you to all the Agility Committee members for their help and support and to the Dogs Victoria office staff for their assistance.

To Jenni and Greg Milner thank you for all your help in doing the competitor numbers and for printing out the most coveted pass cards. Thank you also to Alex Hill for his help and guidance in the printing of the competitor numbers.

I hope that your teamwork with your four-footed friends will be especially rewarding and wish every competitor enjoyment and success. I would ask that competitors note that the entry information in the catalogue will be used to write pass cards, and even though we have tried to ensure that the information has been entered correctly in our database, please check the names and titles, and if there are any discrepancies advise us as soon as possible.

One of the hardest tasks in running a trial is the preparation of the catalogue and I would like to give special thanks to Heather and Adrian Tilley for once again doing a fantastic job. There are many multiple entries and we have made every effort to avoid clashes, but if affected it would be appreciated if competitors can keep the ring stewards informed of their progress in other rings.

Most importantly I would like to thank all our sponsors for their generous donations and support. Many thanks to 4 Legs for donating food product to first and second place getters, Top Dog Entrants and State Champions. Thank you also to Action Dogs Victoria Inc., Mendota Products Inc. and Silver Eagle Outfitters Australia for their generous support of the Top Dog Events and State Champions. To Frankston City Council thank you for your generous support of our trial and the State Champions. I wish you all luck in the raffle and hope you win one of the wonderful prizes donated by Houndbag, Megapet Warehouse, Silver Eagle Outfitters Australia and many other individuals. I hope you have all enjoyed the wonderful licorice supplied by Uncle John's licorice. Please check out all our sponsors' products and services displayed throughout this catalogue. Without the help of our sponsors we would not be able to present the quality trophies and awards provided today.

With such a large entry we have a very full programme today and your help and assistance in keeping the rings moving smoothly will be greatly appreciated. If we all work together this should make the day more enjoyable for everyone.

Enjoy!

Australian made and owned 4Legs Pet Food company is committed to providing dog owners with a wholesome and nutritional alternative to overly processed dog foods on the market.

It all began 13 years ago when the founder of 4Legs, Tony Ratten became dissatisfied with the nutritional value of pet foods available to feed his own dog Coco, and after discussions with many pet owners, found they were of the same opinion. So Tony set about creating a unique recipe and the result was a natural and fresh chilled dog food unlike anything seen in the supermarket pet meat fridge.

To this day, 4Legs' first product range, (formerly named Home Cooked, now named All Natural), is its top selling range. Fresh meat is diced and combined with pasta or rice then coated in vegies, coconut and herbs, giving All Natural its unique look and delicious taste. Certified 'complete and balanced' by the Association of American Feed Control Officials (AAFCO) Dog Food Nutrient Profile for adult dog maintenance, it contains a complete and balanced supply of proteins, fats, minerals and vitamins.

All Natural is 100% Preservative Free and doesn't contain artificial colours, flavours or added salt and sugar. The range includes 4 delicious varieties and generates lots of positive feedback from people who no longer need to prepare special meals for their dog. Often dogs that have sensitive stomachs, special dietary requirements or are simply fussy, eat All Natural very happily. In fact most can't seem to get enough!

The success of All Natural inspired Tony to develop further products to assist a dog's development from puppy to adult with the best nutrition possible.

To achieve this aim 4Legs Puppy was formulated. Puppy provides the extra nutrients needed for strong, healthy growth in puppies and it's ideal to feed mum as well, because it supports her increased nutritional needs during pregnancy and lactation.

Puppy combines gently cooked chicken, turkey, lamb and liver fortified with real egg to provide high quality, easily digested protein to promote healthy puppy growth. The 3 meats are combined with rice, making Puppy low allergenic. It is also fortified with Linseed meal (flax), sunflower oil (sources of omega 3 and 6 fatty acids) and includes soluble fibre for optimum digestive system health.

Puppy meets the nutritional requirements established by AAFCO Dog Food Nutrient Profile for growth and reproduction. It is 100% Preservative Free and doesn't contain artificial colours or flavours.

For dog owners who like to provide variety in their dog's diet, yet retain a natural, nutritious offering, 4Legs Home Cooked with Gravy is an enticing option. Available in 2 varieties, this taste sensation for dogs combines meatballs with a gravy sauce made the traditional way, creating a delicious home style meal.

As with all 4Legs products, Home Cooked with Gravy is certified 'complete and balanced' by AAFCO and is 100% free of preservatives, artificial colours and artificial flavours.

So if you are looking for a complete, fresh and nutritional food solution for your dog, regardless of their age, try 4Legs, available from the meat fridge of your supermarket.
